Teresa,

I would love to share that with you as well. It is about ready to be given to the upper management and attorneys. I will send you the latest version.

Thanks again.

Alan

Should I also be looking at the landslides rationale, or has that gone forward already?

Teresa,

Would you be able to do a quick review of the latest version of the riparian rationale? I could use a fresh set of eyes to look at this.

Let me know if this is possible.

Thanks.

Alan
